*Washington, January 1, 1876.*

## MEMORANDA.

In the column "Brevet commissions and volunteer service," officers are credited with the highest brevet rank only held by them in the volunteer service.

This mark [†] denotes a voluntary *transfer*, which is the cause of the anomalous position of the officer in his *regiment* or *corps*.

In the column "Appointed from," the initials "M. A." denote that the officer is a graduate of the Military Academy.

Errors or omissions, if any, as to names, dates of commission, dates of first appointment, or of muster into service or of discharge, State where born, or from which appointed, will be immediately reported to the Adjutant General by the officers concerned.

The letters following the names of battles in the roster of cavalry and artillery regiments indicate the companies engaged; where no letters appear, the whole regiment was engaged.

The consolidation of the infantry regiments makes it inexpedient to announce the *companies* engaged. In some battles the whole regiment took part; in others, but a portion of the regiment.

SEC. 1225. "The President may, upon the application of any established college or university within the United States, having capacity to educate, at the same time, not less than one hundred and fifty male students, detail an officer of the Army to act as president, superintendent, or professor thereof; but the number of officers so detailed shall not exceed twenty at any time, and they shall be apportioned throughout the United States, as nearly as may be practicable, according to population. Officers so detailed shall be governed by general rules prescribed, from time to time, by the President. The Secretary of War is authorized to issue, at his discretion and under proper regulations to be prescribed by him, out of any small-arms or pieces of field artillery belonging to the Government, and which can be spared for that purpose, such number of the same as may appear to be required for military instruction and practice by the students of any college or university under the provisions of this section; and the Secretary shall require a bond in each case, in double the value of the property, for the care and safe-keeping thereof; and for the return of the same when required."

SEC. 1260. "Any retired officer may, on his own application, be detailed to serve as professor in any college." [But while so serving, such officer shall be allowed no additional compensation.]

*Rules regulating details.*

Officers belonging to either the staff departments, cavalry, or infantry cannot, in the future, be spared for such assignments, nor will details be made from captains or second lieutenants of artillery. Selections from the active list must therefore be confined to first lieutenants of artillery; and no officer will be detailed against his consent, nor where he is exercising a command or engaged on special duty; details from the active list are limited to three years.

To give the different States, as far as practicable, the benefit of the law, but one officer will, as a rule, be detailed for any one State.
